- Rough opening dimensions may need to be increased to allow for use of building wraps, flashing, sill panning, brackets, fasteners or other items. See page 13 for more details.
- Three-panel doors are shown with standard hinging, optional hinging is available.
- Andersen® art glass panels are available for all units on these pages.
- "Unit Dimension" always refers to outside frame to frame dimension.
- Dimensions in parentheses are in millimeters.
- "S" designates a stationary unit which can be used as an individual unit or a sidelight.
- Combinations of door units joined together may require horizontal or vertical reinforcement. This reinforcement should be specified by a professional engineer.
- When ordering, be sure to specify color desired: White, Sandtone, Terratone® or Forest Green.
