- * Four-panel doors open without obstruction.
- **Rough opening dimensions may need to be increased to allow for use of building wraps, flashing, sill panning, brackets, fasteners or other items.**
- "Unit Dimension" always refers to outside frame to frame dimension.
- Dimensions in parentheses are in millimeters.
- "S" designates a stationary unit which can be used as an individual unit or a sidelight.
- Combinations of door units joined together may require horizontal or vertical reinforcement. This reinforcement should be specified by a professional engineer.
- When ordering, be sure to specify color desired: White, Sandtone or Terratone®.
